Bellingham's Nicholas Estrada was among 57 lacrosse players who play for the Burnaby Mountain Lacrosse Elite Development Program to earn a scholar-athlete award recently.

Estrada, who is scheduled to graduate from Bellingham High School in 2013, was named a recipient of the Burnaby Mountain Selects Scholar Athlete Award after a year of success on the field and in the classroom. Estrada will receive the certificate at an awards dinner in January in Canada.

To be eligible Estrada had to maintain at least an academic average of 80 percent or higher and have competed on the BMS Elite Touring program.
