## Six locals suit up for Selects

Six Chilliwack lacrosse players will suit up for Burnaby Mountain Selects elite travel teams this fall. Midfielder and face-off specialist Brett Carlson will play with the senior squad.

Defenceman Shane Leyen will suit up for Burnaby Mountain's junior team, while midfielder Connor Lovely will play with the freshmen.

The U13 team features three Chilliwack lacrosse players: midfielders Max Leyen and Connor McNeill, and defender Brandon Lupton.

## Attack ties up Nitro

Chilliwack Attack U-15 girls soccer team hosted the Pitt Meadows Nitro girls this past Sunday in a first-place battle.

The Chilliwack girls controlled the game from the kick off, with early shots by Kristy Ricard and Jenna Snow which both passed by the right hand post.

But less than 10 minutes into the game, the Nitros cleared the ball through the Chilliwack defence and scored to take the lead.

Chilliwack quickly regained control of the ball with Megan Kelly running the ball straight at the Nitro goal then getting tripped by a Nitro foot. The penalty shot was taken by Sydney Steeves, who tied the game with a well-placed low shot.

## Jock scraps

At the 77-minute mark, Kristy Ricard took a corner kick that sent the ball straight to Chilliwack's forward Jenna Snow, who skillfully capitalized.

But with less than six minutes remaining, and with the Nitro playing in full-forward mode, a Pitt Meadows attacker pounced on the rebound and tied the game at 2-2.

## World Softball silver

It's an old axiom; work hard and you'll be rewarded. That was true for

Chilliwack's Chuck Keighan, who took home a silver medal in the men's softball competition in the over 70 division at the Huntsman World Senior Games on Oct. 14.

"This year was another wonderful Senior Games experience for us," Keighan said. "These people truly have something very special going on for seniors."

The Huntsman World Senior Games is a world-class, Olympic-format, international sporting event for athletes ages 50 years and older. Founded more than 24 years ago, the games host over 10,000 athletes annually in St. George, Utah. At the 2010 Games, athletes from 26 countries competed in 27 different sports.
