St. Thomas More grad Jimmy Delaney, who's entering his sophomore season playing lacrosse with the Seton Hill University Griffins, has been named a pre-season NCAA Division II All-American honourable mention by Inside Lacrosse.

Delaney, a graduate of three seasons with the Burnaby Mountain Selects lacrosse program, scored 25 goals and 18 assists in his freshman season, helping the Griffins to 10 wins and four losses.

Of the 41 players selected by the publication for All-American honours, Delaney is one of only four sophomores recognized.

His younger brother Chris, who played two seasons for the Selects, will begin his freshman season with the Dominican College Chargers this spring.
