

# PoCo's Delaney digs up honour

Port Coquitlam's Jimmy Delaney has been named a pre-season NCAA Div. 2 All-American Honorable Mention, as selected by Inside Lacrosse (ESPN affiliate) staff in their recently released Face-off Yearbook.

The midfielder Delaney, a 2009 graduate of the Burnaby Mountain Selects field lacrosse program, will play his sophomore year during the upcoming 2011 season at Seton Hill University (NCAA Div. 2) in Greensburg, Penn.

As a freshman with the Griffins, Delaney racked up an impressive 25 goals and 18 assists to help lead Seton Hill to a 10-4 overall record and a 6-4 mark in ECC play. He had 51 points, including 23 goals, in 17 games last summer playing Jr. 'A' box with the PoCo Saints.

Delaney played three seasons with Burnaby Mountain, helping lead the program to successful tournaments in Colorado, Florida, Maryland and New York, including second-place finishes at the 2008 Hobart College Team Camp and 2009 NDP Atlantic Cup.

Widely recognized as the game's premier source for lacrosse news, scores and analysis, Inside Lacrosse selected a total of 41 players for pre-season recognition at the NCAA Div. 2 level consisting of 12 First Team All-Americans, 12 Second Team All-Americans and 17 All-American Honorable Mentions.]

Delaney was one of only four sophomores to be named to the pre-season All-American list, which included a total of one graduate, 22 seniors and 14 juniors.

Delaney's younger brother, Chris, also participated in the Burnaby Mountain Selects program for two seasons and will be a freshman this spring for the Dominican College Chargers (NCAA Div. 2) in Blauvelt, N.Y.
