Le Van's team victorious in Vegas

Burnaby Mountain Selects U12 lacrosse team won the Powerade Youth Division Championship.

The U12 Burnaby Mountain Selects lacrosse team has yet another reason to celebrate at Christmas this year.

The team won all its games at the Adrenaline Sin City Showdown in Las Vegas, against top teams from California, Nevada, and Utah.

The U12 team, which includes local resident Mateo Le Van, became the fourth Burnaby Mountain Selects team to win this championship in the five-year history of the Selects Elite touring program.

The U12 Burnaby Mountain Selects lacrosse team celebrated their victory with a few days spent sightseeing in Las Vegas.

Coaches Jeff Cathrea and Brent Hoskins described the U12 team as "the team to beat" after it smashed the RC Starz from California 12-1 in its opening match-up.

The group then beat the Utah Starz 14-1, and Silverfin 16-0.

They earned the number one seed

heading into day two, and again defeated Silverfin 12-0. But they almost did not clinch the victory against the RC Starz.

The Selects were down 2-1 at the break and then 3-2 late in the second half, but fought back and managed to make two last-minute goals to win the Brine Youth Division Championship with a score of 4-3.

When the team was presented with a cheque for \$250 USD for the win, members decided to donate the money to the Chris Friesen Memorial Fund, an endowment set up at Simon Fraser University in memory of Select athlete Chris Friesen who passed away earlier this year, at age 17.

The money will be presented at the Maple Leaf Awards dinner in January to a student athlete playing lacrosse at the university.
