## Hamilton converts in OT for Panthers

Joel Hamilton's 18th goal of the season delivered the 18th win of the season for the Port Moody Black Panthers.

The Pacific International Junior B Hockey League club, currently chasing division rival Abbotsford for first place, nudged the Ridge Meadows Flames 4-3 in overtime on Saturday.

Hamilton's goal, a power-play effort just 36 seconds into the extra stanza, came after Ridge Meadows forced extra time on a shorthanded marker midway through the second.

Port Moody never trailed, taking a 2-0 lead early in the first on tallies from Jackson Hewitt and team scoring lead-

er Trevor Kang. Although the Flames tied it, the Panthers briefly reclaimed the advantage on Ryan Hankin's powerplay goal in the second.

Then came Dustin Cervo's shorthanded effort and a long standoff where neither team could solve the other's goalie.

The Flames' Tyler Klassen kicked out 43 shots, while Port Moody's Pierre Voyer turned aside 36.

With the win, the Black Panthers stay within two points of Harold Brittain Division-leading Abbotsford, with a 18-13-5 record.

Port Moody visits Abbotsford on Friday, and hosts Delta, 7:45 p.m. on Saturday.

## Elite impress at field lax tourney

Five local field lacrosse players were part of the Burnaby Mountain Selects Elite roster that competed at the 2011 Adrenaline Challenge Report in San Diego two weeks ago.

All five, including Coquitlam's Conner Stroup, Port Coquitlam's Kyran Clarke, Grayson Greer, Kierran Smith and Port Moody's Landen Wray, were members with the sophomore squad, which finished the tourney with a 4-1 record.

Earning a spot on the South Swell High School Division all-star team was Clarke, an attacker who attends Terry Fox secondary. Greer and Stroup shared the netminding duties, while Smith and Wray played defence.

Burnaby Mountain sophomores defeated South Sound 8-5, Fog City 13-2, Golden Gate 12-2 and All Idaho 12-4. Their lone setback was an 8-4 loss to eventual champion FCA SoCal Blue. The competition drew 80 teams from as far away as Texas and Alberta.
