BOYS ELITE TOURING PROGRAM

Established in 2006 by Simon Fraser University men's lacrosse Co-Head Coaches Jeff Cathrea and Brent Hoskins, the Burnaby Mountain Selects Field Lacrosse Program is an amateur sports organization designed to train players in a high performance environment to best prepare them for a collegiate field lacrosse career. Selection and consideration into the program is reserved for a select group of elite student-athletes, who possess the desire to work hard and learn in a competitive team environment, while demonstrating the ability to prioritize their academic goals in the highest regard. More than 265 athletes in grades 5-12 have participated in the Selects program from over 35 communities across British Columbia's Lower Mainland, BC Coast, BC Interior, Washington State and Idaho. The Selects travel to compete in top college recruiting tournaments throughout North America, winning several international events and helping to place over 40% of graduating players in collegiate field lacrosse programs.
