# Clare produces school record against his hometown team

## Irish senior scores eight goals in 9-9 tie with Pacers

It was a school record performance for Sam Clare that just happened to come against his hometown team.

The Grade 12 student at Vancouver College established a new high water mark for the varsity field lacrosse team by scoring eight goals and assisting on another during a recent game against the Delta Pacers on the new *FieldTurf* venue at the city Catholic school. The Fighting Irish needed every one of Clare's goals as the teams battled to a 9-9 draw.

The Ladner native, who controlled the midfield and attack zones for VC, is on the team list to suit up for B.C. at the Canadian Championships, to be held later this year. Clare has also received numerous inquiries

Sam Clare

from universities on both sides of the border to play field lacrosse and continue his education.

"I'd like to make a career in Kinesiology and sports medicine and be able to give back to the game," he said. "There are a lot of opportunities open to me and I'm looking at all the options."

Clare recently helped the Delta U19 Footmen win bronze at the provincial championships. He also suits up for the Senior Elite team with the Burnaby Mountain Selects program which is run by the coaches at Simon Fraser University.

He is looking forward to the upcoming box lacrosse season where he will split his time between the Delta Islanders' Intermediate "A" and Junior "A" teams.
