

YOU DON'T KNOW WHAT YOU DON'T KNOW.

Did you know that a beautiful smile begins with a proper bite?

Not many people know this.

This is the basis of Neuromuscular Dentistry, advanced care that only a few dentists have learned.

Dr. Andrew Willoughby, DMD, is one of those few dentists.

If you have unexplained pain, including migraines, TMJ, shoulder or neck pain, or numbness in your fingers, your bite may be the cause.

Dr. Willoughby may be able to help.

Find out what you don't know.

All-star award for Toporchak

A stellar tournament led to an all-star selection for Langley's Kyle Toporchak.

Toporchak was playing for the Burnaby Mountain Selects U13 squad at a lacrosse tournament in Denver last week.

His team went 5-2, losing only to the host Denver Elite, both in the round robin and the championship game.

Toporchak plays the attack position.

Jae Wook Lee shot a 60 to win the boys' division of the MJT mini-tour event at the Meridian Golf Club in White Rock.

Lee, a Redwoods Golf Course member, won by two strokes on the par-3 course.

The event, which was for golfers between the ages of 7 and 13, was held June 30.
